GETTING IN TOUCH WITH THE PROJECT INNOVATE

Preparing for the many activities that are about to come along the year 2013, we present the INNOVATE News, a newspaper that will keep you informed about the actions and what is going on regarding the project. On the pictures you found in a part the 1st edition in January, with a retrospective of the activities since the beginning of the partnership Brazil - Germany.

What is the Project INNOVATE?
Discover which are the objectives and the research fields of the project.

Section 1

Get to know the INNOVATE Team
This section was created aiming to introduce all the project integrants. On this first version, we will get to know a little more about the coordinators.

Section 2

Partnerships and News
Get involved with the institutions and the partners that collaborated with the project and also with the news that have shown up on the media.

Section 3

INNOVATE in Action
This space is destined to divulge all the actions that were realized during the last bimester to concretize all the planned objectives. We count on everybody's contribution, providing material about the actions of each subproject.

Section 4

Sharing Point
In this section we will make the dissemination of news posted on sharepoint

Section 5
Preparing himself for the many changes that will display over a communication channel for Innovates.

Our bimonthly e-newsletter and will be its first issue in January 2013 will provide a retrospective of the events within the project so far.

We will have five sections that address issues important to all members of the project, as you can see above.

We look forward the collaboration of all sending news about their SPs to be published in this Bulletin. The news must be sent along with photos to innovatenews1@gmail.com until the 15th of each month.

We hope you enjoyed the idea wishing that our Bulletin becomes a strong link between Brazil and Germany.

We wish everyone a wonderful Christmas and a New Year full of hope for a future of peace and prosperity for the world.

Marília Castro

Let’s toast the New Year!

We hope to innovate the whole family a Merry Christmas and a 2013 full of health, peace and prosperity.

May we continue sharing joys and building a successful partnership.

The image of the message signed by our ordenators is the Chollortenburg Castle in Berlin.

Dr. Johann Koppel, Technische Universität Berlin, talks about the project Innovate Research Profile in the event of Capes in Brasilia.
